Sharing our World with Raptors

Presented by The Raptor Trust

This is a FREE Family Place Event!

All Ages Welcome!

Learn about raptors and discover their adaptations as hunters.
Raptors common to New Jersey will be discussed and a live ambassador bird will be presented, as well as hands-on artifacts.

Stay after the presentation to participate in an Owl Pellet Dissection! 1:30-2:30

Ages 10+ OR Ages 6+ with participating adult.

Learn about food webs and discover what owls eat.
Engage in the scientific principles of predicting, sorting, classifying, and identifying.

Please [Preregister](#) for the Owl Pellet activity! Space is limited.
