

Request for 3D Print-out

Please include a copy of your STL or OBJ file on a USB memory drive or a Micro SD card. This device will be returned to you, with a copy of the GCode file created by the slicing software. We will contact you for approval of the estimated cost of the project. The cost may increase slightly due to printing corrections or failures. We may keep copies of your files. Please allow at least one week for printing. **We cannot guarantee a completion date.** Please fill in the information below:
