**Ringwood Public  
Library:  
Strategic Plan  
2019-2023**

**A strategic plan is more than a  
wish list; it is a statement about  
who we are and who we want to  
become within the next five  
years.**

**This plan reflects a year's worth  
of dedication from within our  
library and community.  
Together, we have forged a  
strategy to create new  
opportunities for discovery and  
engagement.**

**Thank you, Elise Bedder,  
Library Director**
